You're invited to join us

Travel Writer, Elaine J. Masters, will be your host.

Join our small group for 5 days / 6 nights exploring two cities of contrasts - from Toronto, the largest metropolis in Canada, to the distinctions of the UNESCO World Heritage Site, historic Quebec City.

We'll gather at our luxury hotel in Toronto on the first evening. In the morning, after a delicious, hotel breakfast, we'll venture into the city for tours, shopping,

walking, with time each evening for independent explorations or dinner with the group. Then it's off to the exquisite World Heritage City of Quebec and our hotel on Place des Jardin for more adventures, tours, independent time and delicious cuisine. The trip is being arranged through Outdoor Travel Adventures in San Diego. Itinerary and details inside...
